

# Toms Voits

Department of Psychology  
University of Gothenburg  
Haraldsgatan 1  
Gothenburg 413 14  
Sweden

Phone: +46 (0) 31-786 16 34  
email: [toms.voits@psy.gu.se](mailto:toms.voits@psy.gu.se)  
ORCID: [0000-0001-7223-8446](https://orcid.org/0000-0001-7223-8446)  
Web: <https://tvoits.com/>

## Areas of interest and specialization

Cognitive aging; reserve & resilience; experience-dependent neuroplasticity; neuro-/psycholinguistics; neuroscience of language; bi-/multilingualism

## Appointments

- 2023-present **Postdoctoral research fellow.** Department of Psychology, University of Gothenburg  
PI: Prof. Martin Lövdén
- 2020-present **Postdoctoral research fellow.** AcqVA Aurora centre: Theme 4 (multilingual minds and neurocognitive adaptations), UiT the Arctic University of Norway  
PIs: Prof. Jason Rothman, Dr. Vincent DeLuca; CI: Prof. Jubin Abutalebi
- 2015-2017 **Teaching fellow.** University of Latvia, Riga Medical College

## Education

- 2020 PhD in Psycholinguistics, University of Reading, United Kingdom  
Project title: *Bilingualism as a neuroprotective factor in ageing: Insights from healthy and clinical populations*  
Supervisors: Dr. Christos Pliatsikas, Dr. Holly Robson, Prof. Jason Rothman
- 2014 MSc in Neuroscience, Language, and Communication, University College London, United Kingdom  
Project title: *Discourse-related word order variation in Latvian*  
Supervisor: Dr. Hans van de Koot
- 2013 BSc in Neuroscience with Cognitive Science, University of Sussex, United Kingdom  
Project title: *Examining the relationship between functional synaptic vesicle pool fractional size, release probability and pharmacological modulators in hippocampal cultured neurons*  
Supervisor: Dr. Kevin Staras

CUMULATIVE CITATION COUNT (DATA FROM GOOGLE SCHOLAR; H-INDEX - 7. I-10 INDEX - 7)

## Publications

JOURNAL ARTICLES (13, 5 FIRST AUTHOR)

- 2023 **Voits, T.**, Rothman, J., Calabria, M., Robson, H., Aguirre, N., Cattaneo, G., Costumero, V., Hernández, M., Juncadella Puig, M., Marín Marín, L., Suades, A., Costa, A. & Pliatsikas C. (2023) Hippocampal adaptations in Mild Cognitive Impairment patients are modulated by bilingual language experiences. *Bilingualism: Language and Cognition*, 1-11. DOI: [10.1017/S1366728923000354](https://doi.org/10.1017/S1366728923000354).
- Alrwaita, N., Meteyard, L., **Voits, T.**, Houston-Price, C. & Pliatsikas, C. (2023) Executive Functions are modulated by the context of dual language use: comparing diglossic and bilingual older adults. *Bilingualism: Language and Cognition* 1-26. DOI: [10.1017/S1366728923000056](https://doi.org/10.1017/S1366728923000056).
- Rothman, J., Bayram, F., DeLuca, V., Di Pisa, G., Duñabeitia, J.A., Gharibi, K., Hao, J., Kolb, N., Kubota, M., Kupisch, T., Laméris, T., Luque, A., van Osch, B., Pereira Soares, S., Prystauka, Y., Tat, D., Tomic, A., **Voits, T.** & Wulff, S. (2023) Monolingual comparative normativity in bilingualism research is out of “control”: Arguments and alternatives. *Applied Psycholinguistics* 44 (3), 316-329. DOI: [10.1017/S0142716422000315](https://doi.org/10.1017/S0142716422000315).
- 2022 **Voits, T.**, DeLuca, V. & Abutalebi, J. (2022) The nuance of bilingualism as a reserve contributor: Conveying research to the broader neuroscience community. *Frontiers in Psychology* 13. DOI: [10.3389/fpsyg.2022.909266](https://doi.org/10.3389/fpsyg.2022.909266)

Kauliņa, A., Voita, D., Trubina, I. & **Voits, T.** (2016) Children with Special Educational Needs and Their Inclusion in the Educational System: Pedagogical and Psychological Aspects. *Signum Temporis* 8(1): 37-42. DOI: [10.1515/sigtem-2016-0015](https://doi.org/10.1515/sigtem-2016-0015)

2014

**Voits, T.** (2014) Discourse-related word order variation in Latvian. *Valoda: Nozīme un Forma* 5, 144-156. Rīga: LU Akadēmiskais apgāds. Available for download from the [University of Latvia repository](https://www.library.lu.lv/).

#### BOOK CHAPTERS

2023

Rossi, E., DeLuca, V. & **Voits, T.** (in press) Using structural neuroimaging to investigate L2. In Morgan-Short, K. & van Hell, J. (Eds.) *The Routledge Handbook of Second Language Acquisition and Neurolinguistics*.

**Voits, T.** (2023) Role of bilingualism in neurodegenerative disease II: Beyond Alzheimer's. In Anderson J., Grundy J. & Luk G. (Eds.) *Understanding Language and Cognition through Bilingualism*. Studies in Bilingualism. Amsterdam, The Netherlands: John Benjamins publishing company. DOI: [10.1075/sibil.64.17voi](https://doi.org/10.1075/sibil.64.17voi)

#### EDITORIAL WORK

2022

Rothman, J., DeLuca, V., Luque, A., Prystauka, Y. & **Voits, T.** (2022) Cognitive Neuroscience Perspectives on Language Acquisition and Processing. Special issue of *Brain Sciences*

2021

Pliatsikas C., Ansaldo, A., & **Voits, T.** (2021): Bi-Multilingualism and the Declining brain. Special issue of *Linguistic Approaches to Bilingualism* 11:4. DOI: [10.1075/lab.11.4](https://doi.org/10.1075/lab.11.4)

## Presentations

#### CONFERENCE PRESENTATIONS

2023

**Voits, T.**, Abutalebi, J., Berglund, G., DeLuca, V., Duñabeitia, J.A., Elin, K., Gabrielsen, A., Hao, J., Rook, J. & Rothman, J. Independent effects of multilingual experience on resting-state functional connectivity across the adult lifespan. Poster presented at: Society for the Neurobiology of Language 15th annual meeting, Marseille, France. (24-26 October, 2023)

**Voits, T.**, Abutalebi, J., DeLuca, V., Duñabeitia, J.A., Rook, J. & Rothman, J. Multilingual experience affects resting state functional connectivity in (cognitive) aging. Talk presented at: International Conference on Multilingualism and Language Acquisition, University of Helsinki, Helsinki, Finland. (9-10 March, 2023)

2022

**Voits, T.**, Abutalebi, J., DeLuca, V., Duñabeitia, J.A., Rook, J. & Rothman, J. Multilingual experience affects resting state functional connectivity in (cognitive) aging. Poster presented at: Society for the Neurobiology of Language 14th annual meeting, Philadelphia, PA, USA. (6-8 October, 2022)

**Voits, T.**, DeLuca, V. & Rothman, J. The effects of multilingual experience on episodic memory across the adult lifespan: an EEG study. Talk presented at: 16th International Symposium of Cognition, Logic and Language, University of Latvia, Latvia. (26 August, 2022)

**Voits, T.**, Abutalebi, J., DeLuca, V., Duñabeitia, J.A., Rook, J. & Rothman, J. Bilingual life experiences and neurocognition in middle-aged and older populations. Poster presented at: 4th International Symposium on Bilingual and L2 Processing in Adults and Children (ISBPAC 2022), UiT the Arctic University of Norway, Norway. (4-5 August, 2022)

- 2021 DeLuca, V. & Voits, T. Bilingualism affects white matter integrity across the lifespan. Talk presented at: New Approaches to Bilingualism and Multilingualism and Language Learning/Teaching Conference (BiMuLT), University of Cyprus, Cyprus (online; 20-21 November, 2021)
- DeLuca, V. & Voits, T. Bilingualism affects white matter integrity across the lifespan. Talk presented at: Society for the Neurobiology of Language virtual meeting. (online; 5-8 October, 2021)
- Voits, T.,** Rothman, J., Robson, H., Calabria, M., Marín Marín, L., Costumero, V., Aguirre, N., & Pliatsikas C. Bilingualism-related neural adaptations in Mild Cognitive Impairment patients are modulated by language experiences. Talk presented at: International Symposium on Bilingualism 13, University of Warsaw, Poland. (online; 10-14 July 2021)
- 2020 **Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. The effects of bilingualism on the structure of the hippocampus and on memory performance in ageing bilinguals. Poster presented at: Conference on Multilingualism (COM2020), University of Reading, United Kingdom. (online; 23-25 June 2020)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. The effects of bilingualism on the structure of the hippocampus and on memory performance in ageing bilinguals. Talk presented at: Experimental Psychology Society meeting, University College London, United Kingdom. (8-10 January 2020)
- 2019 Soares, S.M.P., **Voits, T.,** DeLuca, V., Pliatsikas, C., Rothman, J., Christakou, A., & Bialystok, E. Beyond structure: Investigating neurochemical bases for bilingualism-induced neural plasticity. Talk presented at: AMLaP 2019 satellite symposium 'Bilingualism and Cognition'. (5 September 2019)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Bilingualism as a source of brain structure variability in ageing: an MRI study. Poster presented at: AMLaP 2019 satellite symposium 'Bilingualism and Cognition'. (5 September 2019)
- Soares, S.M.P., **Voits, T.,** DeLuca, V., Pliatsikas, C., Rothman, J., Christakou, A., & Bialystok, E. Beyond structure: Investigating neurochemical bases for bilingualism-induced neural plasticity. Talk presented at: Capturing and Quantifying Individual Differences in Bilingualism workshop, UiT the Arctic University of Norway, Norway. (2-3 September 2019)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Bilingualism as a source of brain structure variability in ageing: an MRI study. Poster presented at: Capturing and Quantifying Individual Differences in Bilingualism workshop, UiT the Arctic University of Norway, Norway. (2-3 September 2019)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. The Cognitive and Neurological Effects of Bilingualism on Healthy Ageing. Poster presented at: International Symposium for Bilingualism 12, University of Alberta, Canada. (23-28 June 2019)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Beyond Dementia: Bilingualism and Neurodegenerative Diseases. Talk presented at: Language Studies PhD Conference 2019, University of Reading, United Kingdom. (25 March 2019)
- 2018 **Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Beyond Dementia: Bilingualism and Neurodegenerative Diseases. Poster presented at: Cognitive Neuroscience of Second and Artificial Language Learning (CoNSALL) meeting, Bangor University, United Kingdom. (21-23 September 2018)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Beyond Dementia: Bilingualism and Neurodegenerative Diseases. Poster presented at: Society for the Neurobiology of Language 10th annual meeting, Québec City, Canada. (16-18 August 2018)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Cognitive and neurological effects of bilingualism in healthy ageing and dementia. Talk presented at: Oxford Dementia Research Day 2018, University of Oxford, United Kingdom (12 July 2018)
- Voits, T.,** Robson, H., Rothman, J., & Pliatsikas C. Cognitive and neurological effects of bilingualism on the progression of dementia: a longitudinal study. Talk presented at: Reading - Southampton -

Portsmouth PhD research day, University of Reading, United Kingdom (17 May 2018)

2015 **Voits T.** Discourse-Related Word Order Variation in Latvian. Paper presented at: Academia Salensis. 'Argument Realization and Clausal Architecture in Baltic (ARCAB)'. Salos, Lithuania. (26 July - 2 August 2015)

#### INVITED TALKS

2023 Rothman, J. & **Voits, T.** Multilingual experience and neurocognition across the lifespan: Preliminary Results from the EEGCAP Project and Future Directions. Talk presented at: Bilingualism as a human health capital workshop. University of Florida, USA (11 January 2023)

2021 **Voits, T.** Bilingualism as a neuroprotective factor in aging: Insights from healthy and clinical populations. Talk presented at: Bilingualism and Aging lab, University of Groningen, the Netherlands (online; 16 November 2021)

DeLuca, V., **Voits, T.** & Rothman, J. Neurocognitive effects of bilingual experience. Talk presented at: Language Technology and Data Analysis Laboratory, The University of Queensland, Australia (online; 28 July 2021)

Vincent DeLuca, Jason Rothman & **Voits, T.** A tale of two spectra: Language experiences and neurocognitive adaptations. Talk presented at the University of Leiden, the Netherlands. (online; 18 March 2021)

Pliatsikas, C., Soares, S.M.P., **Voits, T.**, DeLuca, V., & Rothman, J. Bilingualism modulates metabolite concentrations in the healthy brain. Talk presented at University of California, Irvine, USA. (online; 8 Feb 2021)

2020 **Voits, T.** Bilingualism as a neuroprotective factor in aging: Insights from healthy and clinical populations. Talk presented at Bilingualism research group, University of Edinburgh, United Kingdom. (online; 16 November 2020)

**Voits, T.**, Robson, H., Rothman, J., & Pliatsikas C. Bilingualism as a source of brain structure variability in ageing: an MRI study. Talk presented at the University of Birmingham, United Kingdom. (17 March 2020) \*Cancelled due to COVID-19 outbreak

**Voits, T.**, Robson, H., Rothman, J., & Pliatsikas C. Bilingualism as a source of brain structure variability in ageing: an MRI study. Talk presented at UiT, the Arctic University of Norway, Tromsø, Norway. (5 March 2020)

**Voits, T.**, Robson, H., Rothman, J., & Pliatsikas C. Effects of bilingualism on healthy ageing and dementia. Talk presented at The Association for Science Education Annual conference, University of Reading, United Kingdom. (11 January 2020)

2018 **Voits, T.**, Robson, H., Rothman, J., & Pliatsikas C. The cognitive and neurological effects of bilingualism on healthy ageing and dementia: Study design. Talk presented at McGill University, Canada. (21 August 2018)

**Voits, T.**, Robson, H., Rothman, J., & Pliatsikas C. The cognitive and neurological effects of bilingualism on the progression of dementia: Study design. Talk presented at the University of Sussex, United Kingdom. (11 June 2018)

## Public outreach

2022 'An ocean of experiences: language and the brain across the lifespan'. Public event by Lørdagsuniversitetet (Saturday University) as part of Forskningsdagene (Research days) 2022. Rødbanken, Tromsø, Norway. (1 October 2022)

2020 'Effects of bilingualism on healthy aging and dementia'. Public event by Alzheimer's Research UK

- 2019 Oxford Network, John Radcliffe Hospital, Oxford, United Kingdom. (online; 20 October 2020)  
 'Learning languages for a healthy brain'. Public event held by the Centre for Literacy and Multilingualism, University of Reading, United Kingdom, for the International Mother Tongue Day 2019. (21 February 2019)

## Funding & Grants

- 2019 CQIDB travel grant, UiT the Arctic University of Norway (NOK 5,000)  
 University of Reading Graduate School Travel Support Scheme (£300)  
 University of Reading Centre for Literacy and Multilingualism Conference Funds (£600)
- 2018 University of Reading Research Travel Grant (£550)  
 Alzheimer's Research UK Travel Grant (£250)
- 2017-2020 University of Reading Anniversary Studentship (£30,000 stipend; £3,000 training and development allowance; ~£13,500 tuition fees)

## Awards & Honours

- 2020 Fairbrother Lecture, University of Reading. Available online: [https://youtu.be/Wm\\_lpwRuiwU](https://youtu.be/Wm_lpwRuiwU)  
*The Fairbrother Lecture is a prestigious annual event where a single doctoral researcher from the University is selected to present their research to the general public.*

## Other output (non peer-reviewed)

- 2018 Pliatsikas, C., DeLuca, V. & Voits, T. (2018): A conversation with the Bilingualism in the Brain Lab on YouTube: <https://www.youtube.com/watch?v=PgGa5wfb5BU>

## Teaching experience

- UiT THE ARCTIC UNIVERSITY OF NORWAY, 2020 - 2023
- 2023 Neurocognition of Multilingualism ENG-3019 (MA Multilingualism). Lectures.
- 2020-present Guest lectures delivered on the general subject of language/bilingualism and the brain across different courses at UiT the Arctic University of Norway and the University of Florida.
- UNIVERSITY OF READING, 2018 - 2020
- 2018-2020 Medicine 1. Introduction to Medicine (MSci and MSc in Speech and Language Therapy). Lectures. Research Methods (BSc in Psychology). Seminars.

UNIVERSITY OF LATVIA, RIGA MEDICAL COLLEGE, 2015 - 2017

Anatomy and Physiology (Professional Diploma in Nursing). Lectures and Seminars.

Research Methods (Professional Diploma in Nursing). Lectures and Seminars.

## Supervisory experience

UiT THE ARCTIC UNIVERSITY OF NORWAY

### Master's theses

- 2023 Anders Gabrielsen - The relationship between working memory and rs-EEG coherence in healthy bilinguals  
Gaute Berglund - How Bilingual Language Experience Shapes the Functional Architecture of the Brain: An Aging Study on Inhibitory Control Correlated to Resting State Brain Rhythms
- 2022 Janine Rook - Individual differences in bilingualism affect resting- state brain coherence in middle-aged and older adults  
Hilde Kristin Øien Thomsen - The effects of bilingualism on inhibition and brain function in cognitive ageing: An EEG study  
Shihan Zhao - Effects of bilingual experience on episodic memory in cognitive aging.

MAGDALEN COLLEGE SCHOOL, OXFORD, UK (AS AN EXTERNAL UNIVERSITY TUTOR)

### Waynflete Studies Programme

- 2021 Tom Williams - To what extent is learning a second language a viable method to slow down the onset of dementia?
- 2020 Rosa Birchenough - Could bilingualism be a pre-emptive treatment for Alzheimer's Disease?

## Relevant training

- 2019 Statistics for linguists in R. University of Reading, United Kingdom. (3-6 June 2019)
- 2018 Statistics for linguistics with R. University of Reading, United Kingdom. (18-22 June 2018)  
Introduction to Bayesian statistics and Monte Carlo methods. University of Reading, United Kingdom. (4 June 2018)  
FSL Course, University of Oxford, United Kingdom. (9-13 April 2018)
- 2017 Preparing to Teach. Reading Researcher Development Programme. University of Reading, United Kingdom. (16 November 2017)  
Introduction to Good Clinical Practice eLearning (Secondary Care). (23 October 2017)
- 2015 Good Clinical Practice (ICH-GCP) certification, Riga, Latvia. (24 September 2015)
- 2014 Advanced Core Training in Linguistics (ACTL) Summer School, University College London, United Kingdom. (23-27 June 2014)

## Service to the profession

2021-present Review editor at *Frontiers in Psychology, Language Sciences*

### JOURNALS REVIEWED IN (AD HOC)

Ampersand  
Bilingualism: Language and Cognition  
Brain Research  
Frontiers in Aging Neuroscience  
Frontiers in Human Neuroscience  
Frontiers in Psychology  
International Journal of Bilingual Education and Bilingualism  
International Journal of Bilingualism  
Journal for Neurolinguistics  
Journal of Alzheimer's Disease  
Journal of Cognitive Psychology  
Journal of Psycholinguistic Research  
Neurobiology of Aging  
Neurobiology of Language  
PLOS ONE  
Scientific Reports

### GRANT EVALUATOR (AD HOC)

National Science Foundation (NSF)

### MEMBERSHIP OF COMMITTEES RELEVANT TO RESEARCH

Member of the Society for the Neurobiology of Language  
Member of the Psychonomic Society  
Member of board at Bilingualism Matters network Tromsø branch (Flere språk til flere)  
Member of the Centre for Literacy and Multilingualism Steering Committee, University of Reading (2019-2020)

### PHD THESIS DEFENSE COMMITTEE MEMBER

2023 Francisco Buades Sitjar. *Influence of sociodemographic and intelligence factors in general knowledge*.  
Universidad Nebrija, Madrid, Spain

## Skills

**Software:** R, R Studio, SPSS, E-Prime, Presentation,  $\LaTeX$ , FSL, SPM, MRICROGL, BrainVision Recorder/Analyzer

**Languages:** Latvian (native), English (advanced), Russian (upper-intermediate), Norwegian (beginner)
